RESPONSIBLE GAMING

1. GENERAL

Gambling at an online casino should always be aimed at entertainment. However, there is a certain percentage of people who lose control over themselves while gambling. Before starting to play, it is important to realise that gambling shall never be viewed as a source of income or means of recovery from debts. It is useful to keep track of the time and the amount of money spent at an online casino daily.

If you think that you start spending more money than you can afford, or in case gaming starts interfering with your normal daily routines, we strongly advise to consider several measures that can help, such as setting Personal Limits on your gaming activities, opting for Self-Exclusion, and seeking help and support from trusted independent bodies.

2. PERSONAL LIMITS

To assist you in gambling responsibly we offer the Personal Limits feature. You can set limits on the amount you deposit, lose, wager, spend in one game, or on your account activity on the whole. This functionality can be accessed within your account in the “Personal Limits” section.

Limits can be amended at any time. A decrease in the limit will take effect immediately, however an increase may only occur after email confirmation and only after the previous limit of the same type expires, in order to avoid rash decisions. If you require further information or assistance regarding Personal Limits, please contact our support team at support@cryptowild.com.

Deposit Limit. A limit on your deposits for a day, a week, or a month.

Loss Limit. A limit on your losses in the casino for a day, a week, or a month. Please note the loss is based on the initial deposit and not winnings attributed to the deposited amount. If for example you deposit €50, put a Loss Limit of €10 and then go on to win €1,000, you can still lose more than €10 of the €1,000 balance as it is based on the initial deposit instead of the winnings.

Wager Limit. A limit on the wagered amount for a day, a week, or a month.

Cooling-Off Limit. You can set a Cooling-Off Period for 1 week, 1 month, 3 months, or 6 months. While the limit is active you cannot deposit to the Casino and you will be excluded from all promotional offers, although you may withdraw the remaining funds during this period. Cooling-Off period is applied to your account immediately. Upon its expiring your account will automatically be re-activated.

Self-Exclusion Limit. You can set a Self-Exclusion Limit for 6 months, 9 months, or 1 year. Upon doing so your Player Account will immediately be disabled and you will

be excluded from all promotional offers for the set period. You will not be able to deposit or withdraw funds when the limit is active.

3. SELF-EXCLUSION BY REQUEST

Setting Self-exclusion lets us know that we need to take all measures to block your access to your account and make sure that you receive no promotional materials. You may also contact our support team at support@CryptoWild.com and inform us about your decision to stop gambling at the Website for a certain period of time or forever. If you are self excluded from the casino you won't be able to log into your account and order withdrawal of any balance you have left. Once self-excluded, please reach out to our support team at support@CryptoWild.com in order to initiate withdrawal of remaining balance. Our support team will contact you within a reasonable timeframe with information on the withdrawal and will assist you with it. Please note that active self-exclusion does not make you exempt from verification procedure if it's required by the casino to process funds. The funds remaining on balance will be paid according to the casino limits. You may also contact our support team at support@CryptoWild.com and inform us about your decision to stop gambling at the Website for a certain period of time or forever. We will take all measures to block your access to your account and make sure that you receive no promotional materials. Please note that if you are self excluded from the casino for indefinite period of time, the funds remaining on balance will be paid according to the casino limits. If you are self excluded for a definite period of time, the funds remaining on balance will be paid according to the casino limits only when a period of self exclusion expires.

The Casino reserves the right to ask for proof of identity and in case the player has not reached the legal age to play, access to the Website will be denied immediately.
